Excellent research summary! This covers the key papers and trends comprehensively. If you'd like me to: - Dive into a specific paper (e.g., full summary of Ashenfelter retrospectives), - Run quantitative examples (e.g., UPP calc for a hypothetical merger), - Link to case law (e.g., Whole Foods, Staples), - Or debate pro/con (e.g., "Are merger guidelines too lax?"),

just specify. Otherwise, consider this wrapped. □
